Defendants.)	

The defendants have filed motions for summary judgment supported by briefs and evidence. The plaintiff has not responded. The case is set for a pretrial conference in the relative near future. To avoid unnecessary preparation by the parties, I have carefully examined the pending motions. It is obvious that they should be granted. Accordingly,

IT IS ORDERED that:

1. The motions for summary judgment (filings [43](#) and [46](#)) are granted.
2. As soon as possible, a memorandum and order will be issued that will more fully explain my reasons for granting the motions.
3. At the time the memorandum and order described in paragraph 2 is entered, I shall also issue a separate judgment.
4. The pretrial conference scheduled for this case is canceled.

5. The Clerk's office shall notify Judge Piester of this memorandum and order.

June 6, 2008.
